Dear Parents/Guardians,

This fall, all district elementary schools will be holding virtual Parent-Teacher Conferences through Google Meet on **October 15, October 21, November 23, and November 24 (evening)**. **On these four days, students will still be dismissed from school at 1:40 p.m.** This will allow for parent/teachers conferences to occur.

**The district has established the first two conferences dates, October 15<sup>th</sup> and October 21<sup>st</sup>, to conduct early intervention conferences for some students.** Our goal is to foster early school-to-home communication and provide interventions to support students. During these conferences, teachers and parents will discuss and mutually develop a plan for students' academic success. **These conferences will be held virtual through Google Meet and will be offered by an invitation from your child's teacher.**

**The traditional end-of-quarter Parent Teacher Conferences to review individual student progress for all other students will occur on November 23<sup>rd</sup> and 24<sup>th</sup>.** Parents of these students will receive a conference request at a later date.

Conferences may also be initiated throughout the year by contacting your child's teacher.

If you have any questions please call the main office at 609-538-9800 ext. 4100.

Sincerely,

Clifford Harrison  
Principal
