

## Kindergarten Supply List - September 2020

We hope everyone has had a wonderful summer! We are so excited to start a wonderful school year and get to know each and every one of your children! In preparation, here is a recommended supply list whether you are doing virtual or in person instruction. If you are at home learning, these supplies will help make completing assignments easier and fun. If you are in person, each student will need their own individual supplies to keep everyone safe. Please have these supplies ready to go on the first day of school. If doing in person learning, please put your child's name on their pencil case. All of these supplies should fit in whatever hard pencil case that you choose. Please no zipper pouches. Thank you for your continued support and guidance in making the start of their school year successful and safe!

Big pencil case

glue sticks

Markers

Crayons

Glue bottle

big eraser

little tissue packs

scissors

little hand sanitizer

pencils
