October 5, 2020

Dear Antheil School Parents/Guardians,

This is a reminder that parents/guardians are required to access the Genesis Parent Portal **before 8:00 AM** each morning to complete and submit the COVID-19 Screening Form for any child attending any of the Ewing Township Public Schools in person. Parents may begin completing the form beginning at **5:30 AM**.

In order to maintain our health and safety protocols, we are stopping any student on the "missing health check" report before he or she enters the building so that he/she can be screened by the nurse. This report is run before students enter the building, so this 8:00 AM time frame is very important.

The completion of this process is essential in keeping our students and staff healthy. Repeated failure to complete the COVID-19 Screening Form could result in the shift of a student from in-person to the virtual learning program. This is not a step we want to take, so please make every effort to complete the Screening Form each and every morning. Your understanding and cooperation is greatly appreciated.

Thank you,

Clifford Harrison
Principal
Antheil Elementary School
