5th graders and parents/guardians:

I hope this letter finds you healthy and safe. As you may or may not know, fire prevention week begins on Sunday, October 4, 2020 and is until Saturday, October 10, 2020. This year's theme is "Serve up Fire Safety in the Kitchen." Ewing Township Fire Department has made a virtual interactive presentation for you to teach you about fire safety. We ask that you check it out over the next two weeks and participate in the activities. There is even a chance for you to win a prize or two. We understand each one of you is in the process of adapting to what seems like a new world due to COVID-19, but unfortunately we must not forget about the things that are remaining the same that affect our well being and safety. Fire being one of those things. Fire is still black, hot, fast, smoke and gas, and an emergency. The only way we can prepare is by practicing and educating ourselves because you never know if a fire will happen in your home. So now, I need you to help us so we can continue to help you. Visit our link below, as we are all in this together!

If you have any questions or concerns, please feel free to contact us at the information above! Thank you for staying fire safe and continue to stay healthy! We hope to see you soon!

Sincerely,

Ewing Township Fire Department - Station 30 Firefighters
