Re: Special Subjects

Dear Elementary Virtual Learning Parents,

We appreciate the feedback you have shared regarding the virtual learning program. As we strive for continual improvement, we are going to adjust the specials schedule for the second marking period. Each building has a six-day rotation schedule for the daily specials of Music, Art, Technology, Media Center, Physical Education and Health instruction. We encourage students to participate in daily specials. Beginning December 1st, new learning activities will be posted every six days. Below is a schedule for when you can expect new learning activities to be posted in their special's Google Classroom.

We will update the posting dates in the new year.

- December 9
- December 17
- January 5
- January 13
- January 22

Have a safe and relaxing winter break.

Sincerely,

Danita Ishibashi
