

## **Antheil Elementary School in partnership with ETS Toastmasters offers a **VIRTUAL** Youth Leadership Program in 2021!**

### **WHAT IS A YOUTH LEADERSHIP PROGRAM (YLP)?**

YLP is an extremely popular program for children designed by Toastmasters International, the worldwide speaking and leadership organization. Children are supported and encouraged to give oral presentations, develop leadership skills in teams to design meetings, and develop keen listening skills.

### **WHAT DOES A VIRTUAL YLP PROGRAM LOOK LIKE?**

Compared with our traditional in-person YLP program, the virtual program will have fewer students per class (10-15 vs. 15-20) and shorter class time (1 hour vs. 2 hours). In addition to nurturing communications and leadership skills, it will also help students to be more aware of their virtual presence and adapt their communication styles to the online environment.

Similar programs charge anywhere from \$100 to \$2,000 per student, but up to 20 Antheil School 4th and 5th Grade students will be able to attend for FREE!

To register, please provide the required information through the link below by the end of **November 8th, 2020**. FIRST COME, FIRST SERVED.
