October 2020

Dear Parents/Guardians,

Parent/teacher conferences are a time when parents/guardians and the teacher are able to discuss the successes and areas of growth of each student. This is a time to ask questions about the grade level curriculum and how your child(ren) function(s) academically, socially and emotionally in the classroom and with their peers. You are strongly encouraged to participate in Parent/Teacher Conferences, as it is a way to continue to build bridges between home and school.

All Parent/Teacher conferences will be held virtually via Google Meet or by phone. The classroom teacher will send you a link via Class Dojo and the Google classroom to access a Sign-up Genius schedule. Afternoon conferences will be scheduled with our grade level teachers on Thursday, October 15th, Wednesday, October 21st and also on Monday, November 23rd, starting at 2:15 p.m. with the last conference scheduled at 3:35 p.m. If you are unable to attend afternoon conferences, evening conferences will be arranged only on Tuesday, November 24th, starting at 6:00 PM with the last conference scheduled at 8:40 p.m.

We request that you select an evening conference only if it is impossible for you to schedule an afternoon appointment.

On all conference days, school will close at 1:40 p.m. Lunches will be served according to our regular schedule and transportation will be provided for our regular bus students. There is no wrap around childcare or EDP on Parent/Teacher conference dates.

Please be reminded that conferences are a time for parents/guardians and teachers to discuss student progress and therefore your child should not be in attendance at the virtual meeting.

Please note that we will not be scheduling parent/guardian conferences with special subject teachers (i.e., computer, art, music, library, and physical education) during the above dates. However, if you would like a conference with a special subject teacher, please call him/her at 538-9800 x 5100 or email them directly to arrange a conference time.

Please adhere to the timeline established by your child's teacher and fill in a timeslot on the Sign-Up Genius schedule by the deadline given. Please call 538-9800 X 5100 if you have any questions.

Sincerely,

Nicole N.W. Harris
