September 18, 2020

Dear Parents/Guardians,

The district is continuing its focus on providing your children an engaging and personalized instructional program whether you are part of our in-person or virtual learning program.

As such, we are administering the iReady diagnostic assessment in reading and math virtually. We have decided this is the best way to gather information about our students in a safe way — information that will be critical to help inform our instruction and serve our students well. Family support will be critical. Please view this video by putting the link in your browser to learn how you can support your son/daughter during the testing. <https://i-readycentral.com/view-resource/?id=35541>

All students will participate in the assessment during their assigned reading and math class September 21 – October 2, 2020. Teachers will proctor the assessment through a virtual Google Meet. To maintain the integrity of the assessment, all students must have their cameras on so the teacher can proctor the assessment. Your child's teacher will provide you the date and time for the iReady assessment.

If you have further questions, please reach out to your building principal.

Sincerely,

Dr. Danita Ishibashi

cc: Maggy Hanna, PhD, Principal, Fisher Middle School  
Nicole Harris, Principal, Parkway Elementary School  
Clifford 'Kip' Harrison, Principal, Anheil Elementary School  
David Hauserman, Supervisor, Special Education, Grades 6-Post Graduation  
Maria Petsos, Supervisor, Special Education, Grades PreK-5  
Michelle Conway, Assistant Principal, Elementary Schools  
Hugh Dwyer, Assistant Principal, Fisher Middle School  
Scott Sheplock, Assistant Principal, Fisher Middle School
