Dear Parkway School Community,

Ewing Township Schools has been my home since 1998. In that time I have seen and been a part of many great changes that the schools and district have undertaken. I have been blessed and humbled to be a part of the successful journey of many Ewing Township students and a mentor in the careers of many teachers.

It is with bittersweet emotions that I inform you of my intent to retire as principal of Parkway School at the end of this school year. I have found my almost 23 years here with Ewing Township Schools to be the most challenging, rewarding and blessed experiences of my life. I am thankful for all of the experiences and memories but have decided it is now time to change paths to another direction.

I intend to complete this school year with as much enthusiasm, dedication, vim and vigor as any other school year. It has always been my thought and mantra to "make it all count". I am sure Ewing Township Schools still has a great many advances in store for it and I look forward to hearing about and celebrating them all as a community member. I have learned and grown a great deal during my tenure here, and I thank you all for working with me and for this opportunity to be a leader in such a wonderful and diverse community.

I wish you all love, light and prayers for the students, teachers and parents/guardians in the days to come. Always remember the time to change is here and now and the ability to change starts with you.

All the best,

Nicole NW Harris, Principal
