September 2020

Dear Parents/Guardians/Students:

Welcome back to the building! I know that you have been working hard while remote. It is now time to transition back to the building and I am excited to see you all

If you need information about the complimentary wrap around child care from 1:40 pm to 3:40 pm for 3rd, 4th and 5th grade students please call x5100. If you need information about Parkway School's morning or afternoon Extended Day Program (EDP), please call Ms. Michelle Garrison at (609) 538-9800, X7179.

If you are a bus student, remember the bus will pick you up at the location listed on your bus pass in Genesis. Do not go to another bus stop. Your bus pass is only valid at your stop. Bus assignments can be found on the Genesis parent portal under the bus tab section for your student(s). If you should need assistance, please contact the main office at extension X5100.

On the 29th, your homeroom teacher will be standing either on the front sidewalk or on the curving driveway where you should line up. Socially distanced markers have been painted on the school sidewalk for members of the same family to stand on. Morning drop off and afternoon pick up for students in grades 3rd, 4th and 5th will occur on the front sidewalk and curving driveway.

Throughout the summer the district has shared its plan to keep the students and the school environment healthy and safe during this continuing health emergency. Due to increased public health and safety measures parents/guardians will not be allowed to walk their child(ren) to class and any items that need to be dropped off at school will be done in the front entryway. **All parent/staff (Teacher, Dean of Students, Principal, Guidance, CST) meetings will be conducted via telephone or Google meet.**

Students are able to buy lunch and milk daily. Information about breakfast/lunch prices and about the free and reduced breakfast/lunch program is provided on the district website [ewing.k12.nj.us].

The COVID-19 screener form must be filled out daily. Please inform our school nurses, Mrs. Kocubinski or Mrs. Ranson (X5125), of any pertinent medical information, about your child, that may have changed. **Also, if your child is going to be absent from school, please call our 24 Hour Tele-Safe Line at (609) 538-9800, X5100 to report the absence. Please email (jbollingepifanio@ewingboe.org or jkocubinski@ewingboe.org) or send a note to school with your child(ren) when he or she returns to state the reason for the absence so that it can be excused.**

If at any time you have any questions or concerns or need assistance, please do not hesitate to contact Mr. Callea (X5105), Mrs. Donato (x5110) or myself (X5102). At Parkway School, we aspire to develop students who are academically strong, civilly minded and emotionally balanced. We also endeavor to work with every student and his/her family to celebrate each child's strengths, cultures, differences, traditions and heritages.
