Lore Elementary School Parent Association

September 6, 2023

Dear Lore Elementary School Families,

We are looking forward to a great school year! Beginning this school year, the classroom parent process and facilitation has changed to better serve you and the classroom.

Classroom parents will now be a subcommittee of the Lore Parent Association (LPA). Classroom parents will now be asked to join the Lore Parent Association (LPA). The fee for joining the LPA is \$2.00 for the school year. This will help keep the classroom activities organized, scalable, and create transparent communication throughout the parent body. Two (2) parents will be selected per classroom and will be determined by a lottery.

Unfortunately, there are some classrooms that do not garner enough parent sign-ups, and we believe every classroom and student deserves the same experiences throughout the school year. We ask that if you can, please let us know if you are interested in being a classroom parent for another class if you are not selected for your student's classroom.

What is a classroom parent?

A classroom parent is a volunteer (parent/guardian) who helps facilitate communication between parents and helps teachers organize events and activities in their classrooms throughout the school year.

What are the responsibilities of a classroom parent?

The responsibilities of a classroom parent are the following:

- Help plan and recruit volunteers to help teachers throw classroom parties, assist with seasonal activities and facilitate classroom projects
- Coordinate holiday and end-of-year gifts for teacher
- Provide input and assist in planning specialized grade specific activities and Teacher Appreciation Week

These activities will be group funded and we will ask for funds to be collected at the beginning of the school year and be utilized throughout the year for gifts.

If you are interested in becoming a classroom parent this school year, please fill out the following form:
