

Summer 2019

Dear Future Second Grader,

Hello and welcome to second grade! We have an exciting and educational year ahead of us together in Room 16. Our first day of school is Wednesday, September 4th from 8:50 AM - 3:40 PM. As a second grade teacher, I will be expecting a lot out of you as a student this year.

Our schedule is a busy one, but we will have a snack break every day. Please bring in a healthy snack for yourself. You should also be sure to have a smock to leave in our classroom for messy projects and art. I will provide scissors, glue, pencils, crayons, folders, colored pencils and a basket for storage. If you would like to bring any of your own items from home, be sure to put your name on them.

Please bring the following items in September:

- A composition book
- A box of tissues or two
- Earbuds (Dollar Store/Five Below)
- A positive attitude, ready to learn!!!

Have a relaxing summer full of fun, math facts and reading, and get ready for a great year in second grade!

Your Teacher,

Mrs. Duncan
Room #16
