

Hello Families!

It is almost time for another school year to begin, I can't wait to meet you and get started with our learning!

I hope you all are having a wonderful summer vacation. I had a great time exploring Portland, Maine with my BFF and relaxing in the Poconos with my family. I look forward to hearing all about what you did with your family.

When school starts on September 6th, you only need to bring a few things with you;

- backpack
- pencil case with sharpened pencils, yellow highlighter, and glue stick
- art smock
- healthy snack and lunch, if you are not buying
- sweater or sweatshirt to keep in class
- earbuds **WITH** a microphone (check Five Below)

I will provide all notebooks, folders, crayons/markers, and binders!

We will be together soon! See you in room 12 on the first day!

Your 3rd grade teacher,

Mrs. Goldberg
Room #12
