

Dear Fourth Grade Student,

Teaching fourth grade is very exciting and rewarding to me! Fourth graders learn about the United States, energy, waves, light, and much more. You'll be reading lots of books, too. We focus on demonstrating responsibility and respect all year.

I know that you are thinking about what you might need to bring to school. It would be helpful if you had **two folders**. Please leave your large binders at home. *We will also be using single subject, **wide ruled**, spiral bound notebooks for reading and math.* I'll have extras if you don't have them. You should also have 5-7 sharp pencils (no mechanical pencils) as well as a highlighter and a flat case to keep them in your desk.

Bring a healthy snack every day. We will find out more about specials when September arrives.

Throughout the year, we also use tissues and pump soap in the classroom. Post-it notes and fine point wipe-off markers are always needed. Any donations will be appreciated!

Enjoy the rest of your summer. I'm looking forward to meeting you at 8:50 AM on September 4th, in room 87.

Sincerely,
Mrs. Hanuschik
