

Welcome to Fourth Grade!!

Hello Students and Families,

I hope you have enjoyed your summer. It sure was a warm one! Some of you may remember me from last year, when I was a guest teacher at Lore School almost every day. Before that, I was a teacher for over 30 years in a nearby school district. I retired a few years ago to take care of my grandchildren, and now that they are in school, I have returned to teaching.

This September, I am excited to be starting your 4th grade year with you. You will be learning many new things this year in reading, writing, math, social studies, science and your special subjects, as well as growing as a student and friend. I am honored to be able to support you during our time together.

You will find a list of supplies on the back of this letter that you should bring to school, along with a lunch if you are not buying, a snack and a light jacket in case some of your classrooms are chilly. I am looking forward to seeing you on **September 6th in our classroom #89.**

Sincerely,

Mrs. Yates
