

Welcome to 4th Grade!

My name is Miss Yeboah, and I am excited to be your 4th grade teacher for the 2019-2020 school year!

We have many things to look forward to this year! In reading and writing, we will grow. In science, we will learn to think like a scientist, and we will do many fun experiments! In Social Studies, we will learn about the five regions of the United States. In Math, we will multiply and divide numbers in the thousands, add, multiply and subtract fractions, and solve multi-step word problems!

Each morning will consist of a morning meeting that will give us a chance to learn more about one another. On the first day of school, please bring with you a brown paper bag with 3 items that are special to you. We will share our items during the first week of school!

In addition to your brown paper bag with 3 items and summer reading and math assignment, please bring the following supplies on the first day of school:

- Sharpened Pencils
- 1 - 1 inch binder
- Glue Sticks
- Post-it Notes
- Tissues
- 5 Sturdy Pocket folders
- 3 - 100 page, wide ruled composition books
- A sweater to keep in the classroom - it gets chilly!

Enjoy the rest of your summer, and I will see you on September 4th at 8:50!

Sincerely,
Miss Yeboah
Room #74

Parents, feel free to send me an email with any questions:
