

Meet the TEACHER

Miss Patricia Yeboah

Welcome to 4th Grade!

I am excited to be your teacher this year! As a class, we are going to become a family that learns from and celebrates one other! There are many things you will learn this year in reading, writing, math, social studies and science. You will also learn many new things about yourself. I am honored to be here to support you along the way! I cannot wait to see you in Room 74 on September 6th!

A Little Bit About Me

My family is originally from Ghana in West Africa. I live in Bordentown, New Jersey. I have a large family - I have 2 brothers, 3 sisters, 4 nephews and 1 niece. I like learning new things and I love to laugh! Tell me a joke sometime! I am a proud member of Alpha Kappa Alpha Sorority, Incorporated.
