Gifted and Talented Parent Communication

We are beginning the nomination process to screen for Gifted and Talented identification for the 2024-2025 school year. The current district services include ACE (ELA) and AIM (Math) at the elementary school in Grade 3-5.

All students currently in Gifted and Talented programs during the 2023-2024 school year will remain in the program for the 2024-2025 school year, unless specifically notified that they are being removed due to academic performance.

Parents can recommend the screening of their child for the 2024-2025 school year for the ACE/AIM program by submitting a recommendation through Google Forms by Sunday, May 12, 2024.

Note, late nominations will not be accepted. Screening assessments will then begin Wednesday, May 29 and will take place through the end of the school year. Below is the link to the nomination form:

The ACE program screening criteria will reflect a narrative writing prompt and grade level language arts benchmarks.

The AIM program screening criteria will reflect assessments of grade level math benchmarks, Problem Solving tasks, and Reasoning tasks.

The ACE/AIM program is anticipated to begin late September, 2024. Parent's will receive notification about their child's status late August 2024.
