

The Ewing Public Schools INTEGRATED PRESCHOOL PROGRAM

PROGRAM DESCRIPTION

The Ewing School District Integrated Preschool Program at Antheil, Lore, and Parkway Elementary Schools will serve both typically developing and special needs children, three to five years of age. Our special needs children are placed in the program through eligibility criteria outlined in the New Jersey Administrative Code. Typically developing children will submit an application to be placed in the program (based on availability) via a lottery selection. If a spot is offered, registration must be completed, and a monthly tuition fee will be charged.

The program will immerse children in a variety of language related activities, art and music activities, learning readiness skills and hands-on activities that promote academic and emotional growth. Each session will be comprised of up to eight typically developing children and up to eight children with special needs.

The morning session will run from: 9:15 am until 11:45 am

The afternoon session will run from: 12:45 pm until 3:15 pm
