MAIN OFFICE: (609) 538-9800, ext. 6100

NURSE: (609) 538-9800, ext. 6125

Morning Dropoff Options:

- 7:00 AM – Morning Extended Day Program (EDP) Begins (must be registered)
 - Park your car and walk your child into the building using Door 9 (side of the building).
 - **Your child must be registered for EDP.** To register or make a payment, go to <https://ewing.revtrak.net/>.
- 8:15 AM – Breakfast Program Begins
 - Your child can enter the building through Door 1 any time after 8:15.
 - Please do not block the driveway for other families trying to drive through the lot. **If you are going to park your car and walk your child to the door, please park in a designated parking spot.**
- 8:50 – 9:10 AM – Morning Dropoff (in the front loop)
 - If you plan to drive your child to or from Lore School, please read the attached letter carefully.
 - Children must remain in their parent/guardian’s car until the bell rings at 8:50 AM.
 - Do not stop in the drive through lane to drop off your child. It is a safety concern for children to walk between cars, and it delays those trying to pull away from the curb.
- **After 9:10, you must park your car and walk your child into the Main Entrance (Door 1).**

Tardy or Late to School:

- 8:50 – The bell rings and students are welcomed by Lore School staff.
- 9:00 – The start of Morning Meeting. This is when the school day officially begins.
- 9:10 – We provide a “grace period” from 9:00-9:10. At 9:10, you must park your car and sign your child in to school. He/She/They will be marked “tardy”.

Early Pickup from School:

- Only a parent-authorized contact may pick up student (photo ID required).

Afternoon Dismissal Procedures:

- Bus Dismissal
 - Students will be dismissed to their buses as each bus arrives.
 - A parent note is required if a student is assigned to a bus but will not be riding the bus on a particular day.
- Walker/Pickup (see attached letter)
 - Pull into the line in the parking lot or on Westwood Drive. Do not pass cars waiting in the line.
 - Display your child’s Walker/Pickup sheet with his/her/their name on your dashboard, which will allow the staff to call for students in the order that parents/guardians arrive.
 - Please be prepared to show photo ID when picking a child up from Lore School. While this may be inconvenient, it is for your child’s safety, so we thank you for understanding.
 - Enter the second driveway and pull into the loop in front of Lore School. Please remain in your car; children are called outside in the order of cars in the driveway.
 - **Please do not block the driveways of our neighbors, and please do not drive past this line of cars, as it creates a safety concern for students and staff at dismissal.**
 - If you must park your car during arrival and dismissal times, we ask that you park on Westwood Drive, opposite Star Drive, and walk to Lore School using the sidewalks.

Changes to Dismissal Procedures:

- If there is a change in your child’s dismissal plan for the day, you MUST provide a note, an email or call the main office BEFORE 12:00 PM. **A note or email is preferred and is greatly appreciated.**
- **Please make every effort to contact the Main Office at ext. 6100 BEFORE 12:00 PM for any dismissal changes.**

Absences: Call (609) 538-9800, ext. 6100 to report an absence by 9:15 AM. Please also send a note to school with your child when he/she returns, stating the reason for his/her absence. If you visited a doctor’s office, a note from the doctor is appreciated, as this will “excuse” the absence.

School Messenger – Text, Email, and Social Media Notification System

- Download the app from the Apple or Android stores or go online (<http://go.schoolmessenger.com>)
- **Be sure your email address and phone numbers are kept current in Genesis, as School Messenger will be our main mode of communication for announcements and updates** such as snow days, delayed openings, and grade level or bus information.
- You must create your own account. Call the Main Office if you need assistance.

Emergency Schedule Changes (Closing, Delay, Virtual): You will receive a message via School Messenger, so be sure to create an account and keep your email and phone information current in Genesis. The Ewing Public Schools and Lore School websites are updated as well.

ATTENDANCE-ABSENCES AND TARDIES

Please read the District Attendance Policy and Regulation, which is also available on the district website (R5200). All absences must be followed by a written note from a parent/guardian or doctor to school within 10 days stating the reason for the absence.

Tardiness is tracked, and letters are sent to parents when students are excessively tardy. Classes begin at 9:00 AM, so a student is marked "tardy" after 9:10 AM. Lateness is not excused unless a doctor's note is provided or principal permission was provided prior to the tardy. A phone call to (609) 538-9800, ext. 6100 must be received by 9:15 a.m. to notify us that your child will not be attending school or will be arriving late. Attendance and tardy regulations may be viewed on the district website.

TEL-SAFE PROGRAM

All absences are verified to ensure the safety of your child. If your child will be absent or arriving late, you **MUST** call the Main Office at (609) 538-9800, ext. 6100, by 9:15 A.M. If a phone call is not received, you will be called at home or work to verify the absence, so please remember to call. A written note is still required when the child returns to school even if you have called.

CHANGE OF PHONE NUMBERS/ADDRESS

Notify the Main Office of changes in your home/work/cell phone numbers promptly. In the event of an emergency, this information is invaluable and must be kept current. Also remember to update your Genesis Student Database. Central Registration (ext. 7181) must be notified of any change of address with proof of residency provided before new transportation arrangements can be made. Addresses cannot be changed at the school level.

SCHOOL MESSENGER

School Messenger is a quick way to communicate with students, parents/guardians and employees with emergency announcements. It is also used for less urgent announcements. Download the School Messenger app from the Apple or Android stores, or create an account online at <http://go.schoolmessenger.com>.

Once an account is created, parents/guardians can choose which categories/levels of importance announcements they wish to receive and add additional forms of communication (email/cell/voicemail/text). **Parents are responsible for keeping all information updated in Genesis Parent Portal; this information will be used for School Messenger announcements.** Further details can be found on the district website.

STUDENT RELEASE TO NON-PARENT/GUARDIAN/EARLY PICKUP

If your child will be picked up by someone other than a parent/guardian or a person listed in Genesis Parent Portal, we must have prior authorization from you. A note or early phone call must be received stating their identity. If this occurs on a continuing basis, please add them as an authorized contact person within Genesis. Notification regarding any last minute change of plans must be received as early in the day as possible to avoid confusion to your child as well as to the school staff. Children must be signed in/out by the parent or designated contact person in the main office or at the security desk.

SECURITY RULES

1. All visitors must enter Lore School through Door 1 and must report to the security desk or Main.
2. Teachers may not be interrupted by parents, guardians, or visitors while teaching. Lunch, money, clothing, etc., can be left in the school foyer or Main Office, labeled with your child's name and teacher. It will be delivered for you.
3. At dismissal, families must wait outside of the building to avoid hallway congestion.
4. Children must be signed out by a parent or authorized person, in the office or at the security desk.
5. Board policy establishes rules for classroom visits (P9150); please refer to the district website for information on policies and regulations.

BUS PROCEDURES

Children are due at the assigned bus stop 10 minutes before the arrival time stated in Genesis. Buses may arrive at the stop up to ten minutes early or late depending on traffic. Drivers do not wait for children who are not at the stop, nor can they pick up/drop off at unauthorized stops. We ask for your patience as it takes time to develop a consistent bus schedule. This should occur within 2-3 weeks after school begins. Students are assigned seats on their bus by the end of September. If you have questions about the location/time of the designated stop, call **Transportation at (609)538-9800, ext. 7112.**

Riding the bus is a privilege, and misbehavior will result in suspension or dismissal from the bus, with transportation provided by parents. Bus activity is videotaped and checked to monitor student behavior. **Switching buses is not permitted at any time.** A written note is required when a student is not taking the bus home as usual. Verbal arrangements cause confusion to children and school staff. If a note or phone call is not received, your child will be sent home according to his or her usual routine regardless of any verbal only arrangement you have made with them. **If you forget to write a note, call as early in the day as possible.**

BIRTHDAY TREATS

During the 2022-23 school year, prepackaged and individually wrapped snacks can be shared for celebrations within a student's class. Items such as gummies, Rice Krispy treats, pretzels, or donut minis would be great individually wrapped treats. If homemade cupcakes are the snack to be shared, they must be individually packaged prior to coming to school (e.g., wrapped; in a cup with a lid and fork). **All snacks must be school safe and peanut free.**

LOST AND FOUND

Please label your child's clothing with his or her name for easy identification and return. The lost and found area is in the cafeteria. We periodically donate unclaimed items to charity.

MEDICATION ADMINISTRATION TO STUDENTS BY SCHOOL NURSE

When a family physician advises that the health of a child is such that he/she/they could and should attend school and must have medicine administered during school hours, a written notification is required from the private physician on a form provided by the school. The form may be obtained from the school nurse. The completed form, with the medication in a prescription bottle and labeled with the name, date and contents must be presented to the school nurse before the nurse can administer the medication to the child. The medication form is to be signed by the parent as well as the child's physician. Please contact the school nurse to request the form for your doctor. If you have further questions, please call our nurse, Mrs. Christine Sobey, at 538-9800-ext. 6125.

MEDICAL INSURANCE

Accident insurance is not provided by the school district for a student. Information regarding purchase of an insurance policy is available on our district website and is available throughout the school year. Please note that broken glasses, lost articles, medical deductibles are not covered by the school district.

DISTRICT AND LORE SCHOOL CALENDARS/NEWS

News and important events are posted on the district and Lore School websites and are updated daily/as needed. Please read them carefully. Advance events are also posted on the extended calendar. We depend on you to familiarize yourself with the calendar information. A School Messenger announcement may be sent if circumstances require, at the discretion of the administration.

STUDENT CONDUCT AND DISCIPLINE (5600.1)

Lore School fosters a learning environment of mutual respect and cooperation. With the help of teachers and parents/guardians, children will assume responsibilities for contributing to a safe and secure school. For learning to take place, children are expected to regularly attend school and put forth their best efforts with their daily classroom activities. Our goal is to provide an environment in which children grow academically, socially, emotionally and culturally.

The Elementary Behavior Guide can be obtained online (District Regulation 5600.1).

Our Dean of Students, Mrs. Christine Meekins, addresses matters related to student behaviors and bus related matters (ext. 6106). In addition, she also serves as the school's Anti-Bullying Coordinator.

DRESS AND GROOMING (5511)

Children may not wear clothing or engage in grooming practices that present a health or safety hazard to individual pupils or to others; materially interfere with school work, create disorder, or disrupt the educational program; cause excessive wear or damage to school property; or prevent the pupil from achieving his or her own educational objectives because of blocked vision or restricted movement. The building principal shall determine whether the dress grooming of pupils falls within these guidelines.

At all times, it is required that children dress appropriately. Shorts which are of appropriate length will be permitted during warm weather. The belt area of pants must be worn at the waist. The following clothing not be worn to school: cutoffs, short shorts, tank tops with spaghetti straps, tube tops, half skirts, sheer or see through clothing and flip-flops. Hats and sunglasses may not be worn in school (except for medical reasons.) Also, clogs, pumps, high heels and shoes that provide no flexibility are unsafe for elementary children. Students should wear sneakers on days when they have physical education classes.
