## Meals on Wheels of Mercer County

serves over 100,000 meals to homebound residents in your neighborhoods. We subsidize 86% of those we serve who cannot afford the \$7 cost of a nutritious, home-delivered meal, and the demand is increasing. During the month of March, when you purchase food or goodies at a participating establishment, a percentage of your bill is donated to Meals on Wheels Mercer County.

Help us out by dining out.

Dine out at participating locations during March to support homebound seniors in our community.

## Premier Nutrition Program

Our seniors need healthy food delivered daily, and Meals on Wheels of Mercer County fulfills that need with thoughtful meal planning, developed with the support of Rider University and its partners.

## The Daily Visit

Social isolation is a painful reality many of our elders face. Meals on Wheels' volunteers save lives by being a consistent touchstone and a daily friendly face.

Thank you to our generous sponsors!
