Social Studies	3
Health and PE	4
World Language	1
Visual & Performing Arts	1
Career Education/Family & Consumer Sciences	1
Financial Literacy	1
Electives	10

**The Ewing Public Schools***Providing a Foundation for Life*

Ewing High School is on a semester, 4x4, intensive block schedule. In a traditional year, instructional blocks contain 87 minutes. Students take 4 units of instruction per semester (no study halls are permitted), 8 per year. A unit is worth 5 credits. Students have the potential to earn 160 credits (32 units) in 4 years. A minimum of 140 credits (28 units) are required for graduation.

**GRADING SYSTEM:** Students are graded on a 100-point percentage scale. A grade of P indicates a passing grade with credits earned; however, it is not included in the calculation of the student's GPA. Numerical grades should be interpreted as follows:

<u>Number Grade</u>	<u>Description</u>	<u>Letter Grade</u>
90-100	Excellent	A
80-89	Good	B
70-79	Fair	C
60-69	Poor, but passing	D
59-0	Failing	F

**GPA & DECILE:** The GPA is weighted with AP® courses receiving a higher value than an Honors class, an Honors class receiving a higher value than a college preparatory (level one) class, and the college preparatory class receiving a higher value than the essentials/principles (level two) class. Admissions officers seeking to convert the EHS weighted GPA to an un-weighted GPA should do so by using the chart provided in "Grading System" above. Beginning with the Class of 2021, a student's grade point average and rank in class reported in decile percentage will be entered on the student's record.

**STANDARDIZED TEST INFORMATION:**

SAT Mean Scores for Ewing High Class of 2021: Evidence Based Reading and Writing = 490, Mathematics = 498

**POST GRADUATE PLACEMENT:** The 2021 graduating class was comprised of 285 students.

67%	of the reporting graduating class of 2021 planned higher education
65%	planned to enter four-year baccalaureate college program
35%	planned to enter two-year associate degree or technical skills program
0%	planned to enter other post-secondary school
3%	planned to enter military service
2%	planned to enter the work force
28%	was undecided

**Recent graduates were accepted at the most prestigious universities and colleges in the country.**
