Keep this page for your records!

- Transcript requests for all colleges/universities must also be completed in Naviance as they may be sent electronically to the college/university you have applied to. Follow these steps:
 1. Log into Naviance
 2. Select the “Colleges” tab
 3. Select “Colleges I’m applying to” underneath the “My college” heading
 4. Choose “Add colleges to this list”
 5. Select your school from the “Look up” list
 6. Indicate your decision type for each college
 7. Select “Add colleges” at the bottom of the page when finished
- Take as many copies of the Transcript Request form as you need. Copies are available in the Guidance Office or online (www.ewing.k12.nj.us → Ewing High School → Guidance Department → Records/Transcript Request → Current Seniors).
- **Student is responsible for submitting the college/scholarship application by the required deadline. Allow up to 10 business days for the processing of your transcript request. Requests for transcripts are processed in the order they are received.**
- Student is responsible for submitting his/her application and for paying appropriate fees to the college or university. Eligible students can request a fee waiver from the EHS Guidance Office. Please give THREE (3) days notice.
- Although SAT/ACT scores are printed on the transcript, it is the student’s responsibility to forward official SAT/ACT scores directly to the college/university through The College Board and/or The ACT Office, if requested by the college/university.
- If special handling is required, please make a note on the form, (some scholarships will be returned if not mailed according to the directions).
