Winter Sports Registration

Hello Student-Athletes and Parents,

The Ewing High School Athletic Department's 2021-2022 Winter Athletic Registration is now open. Our registration process will be completed ONLINE through our Genesis Parent Portal. The **Sports Application Winter 2021-22** can be found on the Genesis Parent Portal under the Forms Tab. Registration will remain open until Wednesday, December 1, 2021. After that date, new sign-ups for the winter season will not be accepted.

The state and district mandated forms must be filled out electronically. In addition, you must complete all of the **Start of the Year** forms required by the district.

You must also provide an up to date physical. **A physical is valid for 365 days.** The Physical Form is available for download in the Medical Information section of the Winter Sports Registration Form. **If you do not have a current physical, you will need to schedule an appointment with a physician and have them complete this form in its entirety, including a vision screening.** The state mandates that we have a hard copy of this form. This form can be dropped off in the nurse's office during school hours or mailed to the address below.
