

## STUDENT PARKING

A Ewing High School parking decal is necessary in order to park on Ewing High School property. Parking decal information can be found in the Main Office. All student vehicles that occupy a parking space in the Senior parking lot must be registered with the Main Office. There are limited parking spaces available and parking is on a first come first serve basis.

- Students may park within any white lined spaces only located in the student parking lot by the PE area.
- Faculty parking spaces have been numbered and are reserved for **faculty ONLY**.
- Do **NOT** park in handicapped spots, visitor's spots, or any driveway or yellow curbed areas.
- Do **NOT** park in any shopping area parking lots, on private property or illegally.
- Students are not permitted to park in spaces **146 & 147**, these are reserved for the Athletic Director.
- Speed limit on school grounds – **10 mph**

If when the student arrives, there are no student parking spaces available, the student must find his/her own off school grounds parking. If you park illegally on or off school grounds, the car is subject to being towed away at the owner's expense. Violators will be ticketed, penalized and face loss of the parking decal and privileges.
