Release: Survey on the Potential Elimination of Hybrid Schedule at Fisher Middle School

Dear Parent/Guardians,

As the public health news slowly improves, we are exploring potentially returning our “in-person” students five days a week and eliminating the hybrid schedule at FMS prior to the end of the school year. This would end the blended/virtual component for our “in-person” students. If this occurs, our “in-person” students would be expected to attend school each day. There will be no virtual component or option for these students.

Keep in mind that we will carefully evaluate the public health data prior to making this decision and continue to make our classrooms as safe as possible in accordance with guidelines if we bring back all our “in person” students. Obviously we will have larger class sizes, but our other protocols and practices will remain in place. The school will continue to operate on an early dismissal schedule.

Our Virtual Learning Program 2.0 students will remain in their dedicated program.

However, before we commit to this next phase of our “in-person” programming, we are reaching out to FMS parents to determine if there are any parents who do not want their “**in-person**” children attending Fisher five days a week, and instead prefer the current rotating, hybrid A/B day schedule.

Therefore, we are asking any parent whose child is enrolled in our “in-person” program and does not want to send their student five days a week to please email your child’s grade level virtual learning coordinator below by Friday, April 16th, at 10 a.m.:

Grade 6: Mr. Scott Sheplock Email: ssheplock@ewingboe.org

Grade 7: Mr. Hugh Dwyer Email: hdwyer@ewingboe.org

Grade 8: Dr. Maggy Hanna Email: mhanna@ewingboe.org

Thank you.

Maggy Hanna
