Dear Antheil Community,

I hope you are doing well. This letter is to inform you of how the current supply chain crisis is affecting our ability to provide disposable masks for our students. We have enough to get us through the rest of this week and perhaps into early next week, but we will run out very soon. The school district has ordered more, but they are not expected to arrive for months.

We are hoping to provide a cloth / reusable mask for each student. In the meantime, we are asking that you send your children to school with the cloth / reusable masks daily. This will help us keep everyone as safe as possible as we work through the Pandemic.

Sincerely,

Kip Harrison
