September 1, 2023

Dear Antheil Community,

Welcome back to school! I hope that all of you have had a safe and restful summer. This communication is designed to inform you of the new traffic pattern here at Antheil Elementary School. Please refer to the aerial photo with arrows and descriptions for both arrival and dismissal:

Please note that there is a combined entrance and exit where it used to be strictly an exit. Even though there is a left-turn arrow painted to exit the lot, there is a Ewing Township Ordinance prohibiting left turns during arrival and dismissal hours.

**Arrival**

- **Front parking lot – This is strictly for buses. Do not enter the front parking lot.**
- **Car line drop off for students who do not need adult assistance** – Follow the orange arrows to pull into the Drop Off Zone. Pull up as far as possible before you stop and let your student out of the vehicle. All adults are to stay in the vehicle to help keep the line moving.
- **Parking lot for students who need an adult to exit the vehicle** – Follow the green arrows to the back section of the parking lot to exit your vehicle and escort your child to one of the school's entry doors.

**Dismissal**

- **Front parking lot – This is strictly for buses. Do not enter the front parking lot.**
- **Small Bus Dismissal** – The orange arrows show the path that our small buses will take to pick up students who exit door 4. Do not enter this area as it will disrupt our dismissal.
- **Parent / Guardian Pickup (from door 6)** – Follow the green arrows to the back section of the parking lot, park in one of the open spots, and assemble at door 6.

I appreciate your attention to this matter as it will help us keep all of our students, your children, as safe as possible as we begin the new school year.

Thank you,

*Kip Harrison*
