*This show is dedicated in loving memory to Lauren Tenaglia,
who will always be remembered for making a difference and
touching so many lives with her infectious smile and shining heart.*

Mrs. Tenaglia brought musicals to FMS, first with *Annie, Jr.*, then *The Wizard of Oz*, and now *The Little Mermaid, Jr.*. With the support of Co-directors Heather Riehl and Ariel Swain and many others that volunteered to make this possible, this talented group of students were able to work hard and collaborate to perform this musical. The 75-minute musical, designed for middle-school aged performers, is based on the 2008 Broadway production and the 1989 animated feature film. This classic Disney show contains all of the songs from the Academy Award® winning animated feature film as well as three new songs from the Broadway show. *The Little Mermaid, Jr.* takes place in a magical kingdom beneath the sea, where a beautiful young mermaid named Ariel longs to leave her ocean home to live in the world above. But first, she'll have to defy King Triton, her father and King of all the sea, escape the clutches of Ursula, the evil sea witch, and convince Prince Eric that she's the girl with the perfect voice. Will Prince Eric come to the rescue or can Sebastian, Scuttle and Flounder save Ariel and her world from Ursula's domination? Join us in this amazing world "Under the Sea" to see what happens! Tickets are \$7 and are available now (email fisherplay@yahoo.com to purchase or call 609-731-3765) and will also be sold at the door.
