Choreographer PowerPoint

In order to learn a little more about Broadway choreographers, you will put together a short PowerPoint presentation on the life and work of a famous Broadway choreographer.

1. Select one of the following choreographers: Agnes DeMille, Michael Kidd, Gower Champion, Michael Bennett, Twyla Tharp, Jerome Robbins or Susan Stroman

2. Use the websites provided for you to research the life and works of your choreographer

3. You need to include the following information in your presentation:
   - Birth and death of your choreographer (1 point)
   - How they started dancing (2 points)
   - How they started choreographing (2 points)
   - First big project (5 points)
   - Famous shows/movies/dances they choreographed (at least 4) (5 points)
   - Important awards and recognitions (5 points)
   - Describe their style of choreography/dancing (5 points)
   - Influence on other choreographers/Broadway (5 points)

4. Organize the information in a PowerPoint presentation
   - Include one picture (2 points)
   - Correct grammar, spelling, punctuation (5 points)
   - Clear graphics/transitions (3 points)

The project is a total of 40 points. Have fun!
