Shady Brook's wooded acres. Will you be driven through horror, or dragged into terror?

Step outside of the realm of reality and into the 3-D Alien Encounter – a terrifying adventure that will bring the extraterrestrial into focus with out of this world special effects.

The Barn of Horror has long been a gathering place for all manner of fiends – a collection of night terrors trapped under one roof. Walk through the darkness, test the limits of bravery, and find what lurks in the night.

Thirsty for more - blood - that is? See the fields run red at Carnage – where the earth is tainted with the destruction, and dismemberment, of man - literally. *Due to its graphic content, this attraction is not recommended for those under the age of 10.
